## TEAM Linaker's New House System

As part of the exciting launch of our new House System at Linaker Primary School, all children in **Reception to Year 6** have been allocated into one of our four houses. This will allow them to begin earning points, taking part in challenges, and celebrating achievements as a team. Our youngest children in **Nursery** will not be assigned a house at this stage. Instead, they will join the system when they move into **Reception**, ensuring that every child is fully ready to enjoy the sense of belonging, teamwork, and fun that the house System brings.

## Linaker Primary School has Moved to Arbor Parent Portal and Parent App!

We are excited to announce that we have moved our MIS (Management Information Systems) to Arbor. Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system. It will eventually mean that there will be one platform for school communication and school payments (replacing our current use of School Spider Parent App and School Money). We invite all our parents/carers to

familiarise themselves using the link below: [Getting started - Log into the Parent Portal and the Parent App](#)

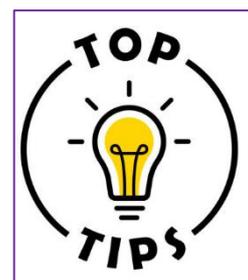

Arbor also offers access to many training resources which are completely free for you to make the most of! These can all be found [here](#). **We have now moved away from School Spider Parent App and School Money.** If you have any problems, please do not hesitate to contact the school office on 01704 532343.

**To top up your child's wraparound or meal account** select Quick actions >payments>active payments >meals or wraparound. Click on what you need to pay for > top up account.

Wraparound bookings require the account to be topped up before booking a session, meals

can be booked first and paid later. It is important to select the correct top up - they are separate.

**Missed a letter?** You can find them here: [Linaker Primary School: Letters](#). There is also a help page on our website here [Linaker Primary School: Arbor](#)

## Lunch Ordering

The school meal ordering section of Arbor is also live. Parents will need to use this system to select their child's daily meal choice or to indicate that they will be bringing a packed lunch from home. Payments for meals, where required, are also made through Arbor. For support with Arbor check our 'Key Information' tab on our website linked [here](#).

## World Religion Weekly Assembly

This week in our World Religion assembly, we looked at Nayrouz, the new year festival celebrated by the Coptic Orthodox Church. The children explored this festival, making connections to the new year celebrations in their own religion and culture and, more broadly, a link to a non-denominational focus of *New Beginnings and Hope*. The themes explored included; courage, renewal and growth.

## Picture News

This week in our Picture News assembly, the children learned about how a Church in Kiruna, Sweden, was moved 5KM to a new location. They learned that many buildings in the city are being moved because the ground is unstable due to iron ore mining. They also reflected upon the different reasons buildings can be special and considered the British values of Mutual Respect and Tolerance.

## Community Information and Family Support

### Your Local Family Wellbeing Centres

Family is the most important influence on a child's life, from the moment they are born until they reach adulthood and beyond. Family Wellbeing Centres provide joined up support for children and young people aged 0-19 years to make family life that little bit easier. Links to the timetables at each centre are below:
