

Headteacher: Mr Cunniffe

Dear Parents and Carers,

As you are aware, we are heading to Manchester on Thursday 5th February (Co-Op Live Arena) for our Young Voices concert. You should have had an app notification to pay the £12 towards the cost of the coach. If you have been unable to use Arbor, please call into the office.

Here's a few reminders on the set-up of the day:

- Children arrive to school at normal time, but should wear a white t-shirt or their young voices t-shirt (these will be given out the day before we go). Children should wear black leggings or joggers and their school jumper/cardigan- this is essential so that they are easily recognised. Waterproofs/warm coats and sensible shoes will also be needed. Trainers are acceptable for the day.
- We will eat lunch in school (packed lunches/hot meals and free school meals as normal), but at a slightly earlier time. Children must remember to bring a disposable dinner and snacks (if desired) for whilst we are at the arena. Usual trip rules apply; no fizzy drinks or large packets of sweets please. Food will not be shared for allergy reasons.
- Children will head to and from Manchester on the coach and can be collected from school at approximately 10:45pm. We ask that all parents/carers are here for that time to ensure a prompt return home. We will send an app notification with confirmation of the time on the night. We cannot facilitate children being collected from the arena because of the number of children attending and the delays this would cause.
- If your child requires any medicine for the day of the show (travel medication for example), please hand this in at the office on the day of the trip, labelled. A form will need to be filled-out with the details and timings of this medication. If your child requires an inhaler, this should be brought with them on the day also.

Thank you for your continued support,

Miss Chambers, Mrs Corkhill, Mrs Gray and Miss Thomson
