

Dear Parents and Carers,

Temporary Staffing Arrangements – 6JC

I am writing to update you on some temporary staffing arrangements for 6JC.

As you may be aware, Mrs Corkhill is currently absent from school. We would like to reassure both parents and children that she is okay and is hopeful of returning to school as soon as she is able. We know that many of the children have strong relationships with Mrs Corkhill and may be concerned about her, so we wanted to provide this reassurance.

In the meantime, we have carefully considered the best way to provide continuity and stability for the class. To ensure consistency across Year 6 and to maintain the high standards that Mrs Corkhill established last year, we have carefully planned staffing arrangements for this half term. Miss Leonard will teach 6JC each morning, with Mr Kidd teaching each afternoon. Together, they will provide continuity, stability and support for the children as they continue their important Year 6 learning journey.

Both teachers are experienced members of staff who know the children well and will work closely together to ensure learning continues seamlessly. We are confident that this arrangement will provide consistency, support and high-quality teaching for all pupils during this period.

We will continue to keep you informed of any significant updates and thank you for your ongoing support and understanding.

We would also like to join you in wishing Mrs Corkhill a speedy recovery, and we look forward to welcoming her back to school when she is ready.

Yours sincerely,

Mr M Cunniffe
Headteacher
