

Whizz Kids' trip to the Apple Store

This trip was for the Whizz Kids this year for all their hard work. If you want know what it was like then read below.

On the bus

Arriving at the bus stop, we were all excited but we had to wait for 12 minutes to get on the bus. We wanted to sit at the front but we ended up at the back. It took about half an hour to get there.

At the Apple Store!!!

When we got off the bus, we had to walk all the way to the Manchester Arndale and go in it! We went quite far but we got there in the end. The Apple Store was a huge place, the man at the door led us to a man called Jake who introduced himself. He said that we had choices on what we could do and these were the choices:

- Making music on the iPad
- Draw on the iPad
- Making a movie on the iPad

3 people wanted to make music but then after they did that they decided to draw as well. 9 people wanted to draw on the iPad. When we were making music, we went on this app called Garage Band and a man called Jack helped us make really good music. When we were drawing, we had this pen that we had to pair with the iPad so we could go on a drawing app called Procreate. It was really fun, we had to take a picture of someone and draw them. Sadly, we had to leave when it was lunch time but we did get to eat KFC or Subway!

These are our photos.
