

Whizz Kids school trip!

On Tuesday the 10th of July, we went to the Apple Store and we got to draw on the apple iPads with a pen not a real one, one with an electric power. Also, some people got to create some music. After we had a session of drawing each other (which was really fun) we went to SUBWAY\KFC and got some lunch :p

On the way home Jess, Natalia, Josh and Layton were waving at everyone. It was the best day ever!
