

Geography Long Term Plan

At Little Digmoor, we use the Oddizzi geography scheme alongside a tailored made curriculum. Geography is taught from years 1 to 6, with three units of work in each year. Additionally, each year group will take part in a debate or discussion lesson which will revolve around current geographical issues.

Subject

Leader: Mr Jackson

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
