

# LITTLE DIGMOOR PRIMARY SCHOOL

## Handwriting Policy

### Introduction

At Little Digmoor we have high expectations of children's handwriting. We teach handwriting using a progressive approach across school. Children are taught to write using a style which is both fluent and legible.

### Aims:

- To develop a joined, confident handwriting style that is clear, legible and fluent, which will enable children to write 'speedily' without having to worry about letter formation.
- To foster a positive attitude towards writing.
- To establish and maintain high expectations for presentation of work.

### Provision for Handwriting:

At Little Digmoor we teach handwriting in line with our school's Phonics scheme; Little Wandle Letters and Sounds Revised, and using the programme of study listed on the National Curriculum. Handwriting is explicitly taught as part of our school's timetable and is taught from Reception (during Phonics) to Year 6.

We operate a 'pen passport' scheme in order to enhance our high expectations. Once children can write fluently, they will be awarded with a blue or black biro pen which they can use when completing English and topic work.

Teachers and support staff will act as a model when writing on the board or marking work, using a fluent joined style with accurate letter and number formation, as appropriate to the pupils' level of development.

Attention to posture and seating arrangements is important. Pupils who write with their left hand face particular difficulties and teachers need to be aware of this. Left handed pupils should either sit next to other left handed pupils or on the left side of a right handed pupil to avoid bumping arms or smudging work. When modelling letter formation to left handed pupils, teachers should use their left hand also.

Pupils who display specific difficulties with handwriting will have these addressed through such resources as slanted writing boards, rubber pencil grips, using alternative writing media, etc. Teachers and support staff will seek support from our school SENDCo, where necessary.

Incorrect letter/number formation will be addressed through marking and feedback as appropriate to the developmental level of the pupil as well as through regular handwriting practise.

## **Expectations for handwriting:**

Children in Reception are taught to form single letters correctly, in line with our school's phonics scheme; Little Wandle Letters and Sounds Revised (see appendix.)

Children in Year 1 should be taught to:

- Sit correctly at a table and hold a pencil correctly
- Hold a pencil with an effective grip
- Form lower-case letters correctly – starting and finishing in the right place, going the right way round, correctly oriented
- Form digits 0-9 correctly
- Practise forming letters in handwriting families:
  - i, j, l, t, u
  - b, h, m, n p, r
  - c, a, d, e, g, o, q, f, s
  - k, v, w, x, y, z
- Have clear ascenders ('tall letters') and descenders ('tails')
- Form capital letters correctly (see appendix)

Children in Year 2 should be taught to:

- Form lower-case letters of the correct size relative to one another
- Start using some of the diagonal and horizontal strokes needed to join letters and understand which letters, when adjacent to one another, are best left unjoined
- Write capital letters and digits of the correct size, orientation and relationship to one another and to lower case letters
- Use spacing between words that reflects the size of the letters

Children in Year 3 should be taught to:

- Form and use the four basic handwriting joins:
  - bottom joins
  - top joins
  - bottom to body joins
  - bottom to top joins.
- Write legibly

Children in Year 4 should be taught to:

- Use a joined style throughout their independent writing
- Write with consistency in size and proportion of letters, e.g. by ensuring that the downstrokes of letters are parallel and equidistant; that lines of writing are spaced sufficiently so that the ascenders and descenders of letters do not touch

Children in Year 5 should be taught to:

- Write fluently using cursive writing
- Choose when it is appropriate to print (lower case or upper case) rather than to join writing to match purpose

Children in Year 6 should be taught to:

- Write, using a joined style, with increasing speed and accuracy
- Choose when to print or join writing to match purpose

## **Pen Passports**

To be awarded a pen passport you must always:

- Sit letters on the line with appropriate ascenders and descenders
- Form letters in a consistent size
- Represent and use upper and lower case letters accurately
- Present letters in the correct orientation
- Form letters accurately
- Have a tripod grip
- Include appropriate finger spaces
- Write in a legible style
- Demonstrate a fluent, joined script using letter joins that have been taught

Class teachers should identify pupils who they feel have reached the required standard for a Pen Passport.

Pen Passports will then be awarded to pupils by the class teacher and presented in assembly on a Friday.

Pupils will need to maintain a high standard of presentation to retain their passport.

\* Please note that it may be appropriate for a specific child to use a supportive pen although they do not hold a pen passport. This will be agreed by the SENDCo.
