Dear parents/carers

I hope you and your families are keeping safe and well.

Little Ilford continues to be closed to all students with the exception of vulnerable children and children of critical workers. Students of all year groups should therefore continue to follow their Remote Learning Timetable from home, attending both scheduled live lessons and completing work set by their teachers on Google Classroom. Please be aware that there will be minor adjustments to the timings of live lessons from the week beginning 11th January. Students should check their Remote Learning Timetable on RM Unify for this information, where they will also have access to video tutorials to remind them how to access their live lessons.

Please note that there is also an adjustment to the arrival and finish times for those vulnerable students and children of critical workers who are attending school. These students should arrive to school between 8.15am and 8.25am. The school day will finish for these students at 3pm.

If you have any questions regarding the above please do not hesitate to contact the school.

Yours faithfully,

Jenny Evans
