Dear Parent/Carer,

On Wednesday 4th March 2020, we will be holding our annual British Values Day as part of Citizenship education at Little Ilford School. Studying the five fundamental values will allow students to become valuable and fully rounded members of society who treat others with respect and tolerance, regardless of background. This ensures young people understand the importance of respect and leave school fully prepared for life in modern Britain.

There will be five themes covered during the day. Each year group will learn about one theme as follows:

1. The Rule of Law
2. Democracy
3. Individual Liberty
4. Mutual Respect and Tolerance
5. Equality, Discrimination and Extremism

Students will complete a five period day and will be required to be in full school uniform and equipped for learning. **All students will be finishing school at 2.10.**

This is a valuable opportunity for students to explore issues related to our lives outside the curriculum. It will be an interesting and stimulating day. If you have any questions, please do not hesitate to get in touch, via the school switchboard.

Yours faithfully

Miss S Akhar and Mrs R Amin
