Dear Parent/Carer,

We are pleased to inform you that an **exciting opportunity** has arisen for your child to take part in a school trip to **Walton-on-the-Naze**. Students were introduced to this trip during their Geography lessons and learned how it will allow them to experience learning outside the classroom, practise geographical skills, and gain an early insight into GCSE Geography should they be considering it.

We expect the trip to take place in **June 2026**, with the exact date to be confirmed in **January**. Further details will be shared once arrangements are finalised.

Places are limited to **50 students** on a **first come, first served** basis. The **total cost of the trip is £50 per child**, which covers travel by coach and specialist sessions delivered by an expert tutor from the well-known **Field Studies Council (FSC)**.

To secure a place, please either fill in the Google Form or return the attached consent form as soon as possible. A **refundable £10 deposit** is also required to reserve your child's place. Additional information regarding payment and organisation will follow once places are confirmed, and the **remaining monies** will be due at a later date. Please note that once bookings are made with the FSC and the transport company, no refunds of either the deposit or the final payment can be issued after January 23rd 2026.

Please read this letter carefully, including the statement for parents and general conditions overleaf, and keep it safe for future reference. [Please complete the Google Form linked here](#). If you are unable to access the form online, please print and fill out the paper form on the next page and have your child return it to Miss Mahfuza in C105. An emergency contact number **must** be provided.

We look forward to your child joining us for what promises to be an enjoyable and educational experience. If you have any questions, please do not hesitate to contact us.
