11th June 2021

Dear parents,

It was a real pleasure to join with parents during the FLIS meeting on Tuesday in discussion of Newham's Relationships, Sex and Health Education policy and its adoption in our school. The suggestions were thoughtful, constructive and very beneficial for us. If you would like to contribute to the shaping of our RSHE provision, please do complete our survey at [this link](#). Some of the parents who had said they were coming were not there on the night; please do let us know if there was any kind of technical problem with our Zoom meetings so that we can address any issues.

Can we remind all parents of Year 11 that details of the grading process are available at [this link](#).

We are continuing to monitor the situation in regard to masks. At the moment, we are continuing to follow our policy of mask wearing around the school except when students are eating or outside on break/lunch.

As you know, we allow students to wear their PE kit to school on days when they have PE lessons as part of our Covid risk assessment. However, students are beginning to wear a wide range of inappropriate clothing, including hoodies and branded sportswear. In the interest of clarity, details of the school PE kit are given below. All kit can be purchased from Ian Howard and Fashion Stop.

EU Settlement Scheme

The deadline for all applications to obtain settled status is 30th June 2021. Please keep in mind that a decision does not need to be made by that date but an application must be submitted. From July this year, EU nationals who haven't completed their EU Settlement Scheme (EUSS) will face losing their rights to live and work in the UK so it is really important they do. Newham Council has commissioned The Renewal Programme to assist and their details are in the attached flyer. If you need further details go to [this link](#).

Yours faithfully
