14th May 2021

Dear parents/carers,

For our Muslim families, I hope that you had a wonderful EID.

Mobile Phones in School

As you know, we are not expecting students to hand in phones to their year team any more due to the Covid crisis. However, students who have their phones out of their bags in school will have them confiscated. Please note that the phones will be available for collection from the office by the students at the end of the following day.

Parent Support

The link below gives details of a borough initiative to support parents in their parenting.

Year 11 - GCSE grades

The school has had to create a Centre Policy for the allocation of grades in year 11. To do this, we have used the template produced by Ofqual. Part of this policy makes clear that teachers should not share grades with students in advance of the GCSE results day on Thursday 12th of August. We will be sharing details of the assessments that have been used to arrive at the results in each subject shortly, along with how to raise objections and what the appeals process will be. It's really important to say that the rules are clear that any undue pressure put on teachers by students or parents to raise grades could be reported as malpractice and might lead to disqualification.

Yours faithfully

Ian Wilson
Headteacher

“ ... an excellent ambassador for community cohesion within the locality - OFSTED ”
