18th March 2021

Dear parents/carers,

Please click [here](#) for an important letter for all parents.

The Department for Education is asking parents/carers to test their children twice per week. Please click [here](#) for details.

Year 11 will be sitting their first assessments next week. For more details, click [here](#).

We are reconsidering how to run our parents evenings during a pandemic and have discovered an app called SchoolCloud. This allows parents to book appointments with teachers online. Each appointment is 5 minutes long. When the time is running out the bar goes red so that both parties can wrap up the call. Schools that use it have told us that the parental and staff feedback has been excellent. We are trying out this new system for the Year 8 Parents' Evening which will now be held on Tuesday 30th March. Details can be found [here](#). A letter giving full details about how to log on to the App and make appointments will be given to all Year 8 students to bring home this Friday.

Please click [here](#) for information about Year 7 science exams and [here](#) for information about Year 8 science exams.

Yours faithfully

Ian Wilson
Headteacher

“... an excellent ambassador for community cohesion within the locality - OFSTED ”
