13th June 2022

Dear Parent/Carer,

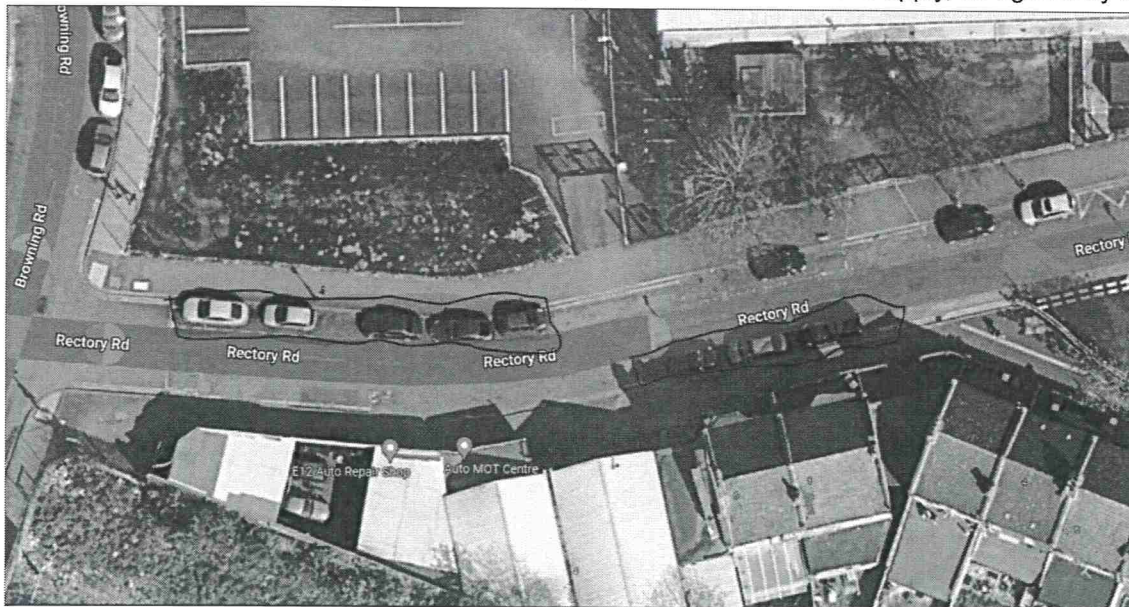

Thank you for your support in getting this half term off to a positive start. I am pleased to say that our building work continues to progress. However, we have been informed that the additional block construction will be delayed due to supply restrictions.

The vast majority of the building is being assembled at another location and from 20th June, modules will be arriving. From that point, the progress will be visible.

I need to inform you of the following information regarding parking restrictions due to the building delivery.

The delivery of modular units to the site on Rectory Road will be starting on 20th June 2022 for two weeks. Parking restrictions will start from 7 am – 6 pm, Monday - Friday. The road closure will be in place from 10 am - 4 pm daily for the duration and these will occur for 20 minutes per hour to allow for the delivery of the Modular Building.

Please see the aerial photograph below indicating where these restrictions apply, as agreed by the council.

Please be mindful of these restrictions if you drop your children off by car in the morning or pick them up at the end of the day.

If you have any questions or concerns, please do not hesitate to contact the school.

“... an excellent ambassador for community cohesion within the locality - **OFSTED**”

Women's Keep Fit:

I am pleased to share information about Women's Keep Fit sessions open for community participation at Little Ilford School. Please see the contact information below.

Little Ilford Park, Church Road, Manor Park, E12 5NG

Parent Connect Newsletter:

Please find the link to this month's [Parent Connect Newsletter](#) (also attached). There is some fantastic information included and you can also sign up to receive the newsletter directly.

Headteacher Question and Answer:

Thank you to all parents who attended my previous online Q & A session. I want to remind parents that the next Q&A session will take place today, 13th June, from 5:30 pm - 6:30 pm. I look forward to seeing you in person and continue working together to support our students to achieve their full potential.

Kind regards

Andrew Finn

Headteacher
