Dear Parents/Carers,

I want to take this opportunity to thank everyone who has attended my introduction sessions this week. I appreciate your feedback and will continue to enhance opportunities for us to communicate and discuss different aspects of the school programme. The last session for Year 11 is this afternoon at 5:30 pm, and I look forward to meeting Parents/Carers on zoom.

Changing room build update:

We are delighted to share with you that our changing room build will be completed in the next week or so. Once finalised, we will communicate with you that students can return to wearing full school uniform. Currently, students should only be wearing PE kit for PE lessons. If students attend sports clubs before or after school, they can use the facilities to change.

COVID update:

Following the government's announcement yesterday with regard to wearing a face-covering in classrooms, we have reviewed the data for the number of COVID cases in school and our COVID risk assessment. At this time, we believe it is safer for our community to continue with our current guidance and recommend wearing a face-covering in classrooms and around the school. We will continue to review our school COVID data and risk assessment and notify you of any updates.

Early finish:

Please be aware that the school day for students will be finishing at 12:30 on Tuesday 25th January 2022. Free school meal students can pick up a packed lunch from the school canteen before they leave.

Thank you once again for your continued support. My door is always open if you would like to discuss any aspects of our provision.

Kind regards,

Andrew Finn
Headteacher.
