Wednesday, 14 September 2022

Dear Parent/Carer,

I am writing to inform you that your son/daughter is now studying the KS3 Year 7 Science course.

Your son/daughter will be sitting two KS3 Science exams in year 7 (dates confirmed nearer the time):

**Exam 1 – February 2023**

**Exam 2 – June 2023**

Each exam will include units from all three Science disciplines covered. Throughout the year, they will be encouraged to recall scientific content from September for both their Mock exams and end of unit tests.

The following table lists the topics covered over the year:

<b>Biology</b>	<b>Chemistry</b>	<b>Physics</b>
Organisms	Matter	Energy
Ecosystems	Reactions	Electromagnets
Genes	Earth	Forces
		Waves

Please encourage your child to use resources on Google Classroom and the Science tile on RM Unify to revise for their exams.

We will be selling the KS3 workbook for **£6.00**; once the online payment via Parent Pay is made, they can collect their Science revision books from Ms Sultana in 321 or their Science Teacher. **Please remember that this workbook is for Year 7 and 8 and it is the responsibility of the pupil to keep them safe.**

**Can you please make this payment via Parent Pay by Friday 30th September 2022**, as we will be setting weekly home learning tasks from the books the following week.

“ ... an excellent ambassador for community cohesion within the locality - OFSTED ”

A hardship fund is available. Please contact the school if you would like further information.

If you have any queries, please do not hesitate to contact me,

Yours Sincerely

N.Sultana

Ms Sultana

KS3 Science Coordinator

Science Transition Coordinator

Teacher of Science
