11 November 2020

Letter to parents of year 11

Dear Parent / Carer

I am writing to confirm that school will be **open for all year 11 students tomorrow, Thursday 12th November, 2020**, as previously announced in our letter to parents on Monday where we outlined the reasons for the partial school closure.

Year 11 students should attend school as usual, arriving at school between 8.15 and 8.25. School will finish at the usual time of 2.20p.m.

Students will be sitting their science examination as planned and should bring to school their science book and the usual equipment for learning.

Yours faithfully

Ian Wilson / Helen Marriott
