Ian Wilson

Helen Marriott

10 November 2020

Dear Parent/Carer,

During the period 16th November - 4th December your child's subject teachers will each be calling you to discuss your child's achievement and progress. This is to replace the Parents' Evening scheduled for 17th November which can no longer take place in school due to current restrictions. Little Ilford School believes strongly in the partnership between the school and parents and this event is an opportunity for you to find out more about how your child is progressing

Phone calls for each subject will be booked by your child with each of their teachers and they will keep a record in their diary. Phone calls can be booked between 3pm and 5.30pm only and each call will last for approximately 5 minutes. While 5 minutes may feel quite short, please bear in mind that this is the same as we usually allow on parents evenings. Please ensure that your child is aware of any evenings or times when you will not be available. If your child is performing well and in line with expectations, please be aware that a subject teacher may feel that it is not necessary to speak to you at this time.

Please remind your child to book all relevant phone calls with their teachers and please check your child's diary to ensure that they have been recorded. You will receive a copy of your child's report in the post.

Thank you for your support

Yours faithfully

Ms Butcher
