Dear parent/carer of a Year 11 student,

A batch of tests have arrived at school for Year 11 students. They can be collected from the school office on Monday between 10am and 12 noon. These tests are to be used near the end of the holiday to ensure that our year 11s are covid-free and are safe to come back to school. Of course, it is not compulsory for your child to collect one, but it would certainly help us to run the school safely if as many Year 11 students as possible took tests. Anyone who is self-isolating should not come into school.

There is a practical example of how to do the self- swabbing. It is only two minutes and very accessible and explains what you need to do: <https://youtu.be/9WayjX6vCdk>

Please read this carefully:

Tests CANNOT be posted, even though there is an address label on the boxes. This completed test should be dropped off at a testing centre between 31st December and 2 January. The list of centres that you can use is below.

Yours faithfully

Ian Wilson
