18th January 2021

Dear Parent/Carer,

Re: GCSE Option Choices

I am writing to inform you that your child will begin the process of choosing their GCSE option subjects on the **26th January 2021**. They will start studying their GCSE subjects in September 2021.

These subject choices are important in deciding which career pathway your child wishes to pursue after completing their GCSEs. For this reason, it is necessary that you are available for our virtual options evening on **26th January 2021**. The event will start online at **4.00pm sharp** (please sign in by **3:55pm**) and will last approximately an hour.

In order to support both you and your child, we have developed an Options Booklet which will be uploaded onto the school website (A parentmail will be sent with the link). This booklet gives you in-depth information about the subjects offered and possible careers. Do use the next couple of weeks to start having the conversations with your child about their option choices.

In order to make the options choices, a link to the online options form will be sent via email. To confirm that we have the correct email addresses please email us at **options@littleilford.org**, with your email address and your child's name, form class and email address.

Please support us in helping your child to make the right choice for their future career.

Yours faithfully,

M. Ahmad
