Dear parent/carer,

We're starting to adjust to the 'new normal' and I'd like to thank you for your support as we embed the online learning strategy going forward. Everything that you need to know is on the school website and can be accessed here:

<https://www.littleilford.newham.sch.uk/parents-students-parents/students/remote-learning-procedures-and-instructions-for-students>

If there are any issues, please don't phone the school - email us instead at info@littleilford.org. In order to secure the safety of the community we have one member of staff in reception at a time and I'm anxious that they are not bombarded with calls.

Newham are offering testing for people who don't have symptoms to find out if they are carrying the disease. To find out more, please click here:

<https://www.newham.gov.uk/rapidtesting>

Finally, can I reiterate, for those whose children are in the vulnerable or critical worker provision, that if your child has any covid symptoms (temperature, new continuous cough or loss of taste or smell) **you must not send them into school.**

I hope that you are well and managing in these difficult circumstances.
