5th March 2021

Dear Parent / Carer

Return to school Lateral Flow testing

In line with government requirements, in order for staff, students and families to be as safe as possible, it is important that we carry out lateral flow tests at school. Students will be tested three times in school, with a 3-5 day interval between each test. Each year group is invited to school for testing on the first day and will then return home. You will receive a timetable for when your child's form group is expected in (in full uniform). On the following day, they will be expected to attend school via their usual gate and Covid staggered start times. You will only be contacted if the result proves positive. [Click here](#) for guidance on how the test is carried out.

In order to test your child in school, we must have your specific consent. Please complete the online form to give this consent - this has been sent to you via ParentMail.

Students will not be prevented from coming to school if you do not consent to testing, but we would urge you to give consent to help us maintain a safe environment for all and reduce the risk of the virus being spread by people who do not have symptoms. Additional testing will take place when students are in school.

Further information can be found on the [government website](#) or from the NHS.

Testing will take place in our Sports Hall and can be accessed from the entrance on Rectory Road.

Timetable for Testing

Monday 8th March - Year 11 testing
Tuesday 9th March - Year 10 testing
Wednesday 10th March - Year 7 testing
Thursday 11th March - Year 9 testing (Year 11 second test)
Friday 12th March - Year 8 testing (Year 10 second test)
Monday 15th March - Year 7 second test
Tuesday 16th March - Year 9 second test
Wednesday 17th March - Year 8 second test

Remember: your child should not attend school if they are showing any symptoms of Covid-19. You should instead, [contact the NHS](#) to book a PCR test and await the result.

We will advise you if a confirmed case(s) of COVID-19 has been in close contact with your child and In line with the national guidance, we will recommend that your child stay at home and self-isolate. If this is the case further information will be sent to you.

Please see our school website for further information.

Yours faithfully
