Ian Wilson

Helen Marriott

8 October 2020

Dear Parent/Carer

As part of the Outdoor Education Career School Taster Sessions your child will spend two periods at Little Ilford Park one Friday this academic year. During this time, they will complete an Orienteering course within the park. All appropriate measures will be taken regarding Covid-19 safety including the wearing of masks to and from the park and regular use of hand sanitizer. Should we face inclement weather an alternative, classroom based activity will be undertaken. All other Career School sessions will take place within school. Please find below a list of dates when your son/daughter's class will be attending.

Thank You

Mr Pattison
PE Teacher
