Helen Marriott

Dear Parent/ Carer

17th March 2020

I will be writing to you every day in order to update you on the COVID 19 situation here in school. We are continuing to follow the advice from Public Health England but, should anything change, we will let you know as soon as possible, via the school website and parentmail.

Covid 19 update

In light of the Prime Minister's announcement yesterday, I have asked certain groups of staff to work from home. However, at present, the school is currently still running as normal. I am hugely grateful to our dedicated staff who have made this possible.

As mentioned in yesterday's email, all trips are cancelled from hereon in. This includes the England v Italy football friendly at Wembley.

As you will also be aware, any students displaying symptoms of the virus should self-isolate for 14 days. Up to date advice can be found from Public Health England at <https://www.gov.uk/government/organisations/public-health-england>

Key worker information

As you know schools have not been advised to close at this time. There is uncertainty over whether in the future the school may have to close entirely or stay open partially for the children of key workers. **If you are a key worker**, I would be grateful if you could contact the school so that we are aware of numbers. A key worker is defined as 'an employee who provides a vital service, especially in the police, health, education sectors or armed forces.' Please send this information to info@littleilford.org including your child's name and form.

Thank you for your continued support at this difficult time.

Yours faithfully

Helen Marriott
Co-Headteacher
