

Dear Newham Parents and Carers,

I am pleased to invite you to attend our 'Reimagining Early Help Parents Focus Group' taking place on **Friday 26TH February 10:30am – 11:45am** via Zoom.

Please note this is separate to our Newham Family Support Workshops taking place every Thursday.

The aim of **this Focus Group** is to involve parents in review of Newham early help services (including Children Centres, Health Visiting, School Nurses, Early Help family support and similar), and work together to help shape services that are informed by parents experiences and ideas that you can bring to the table.

If you are unable to attend the session, please do not worry, as there will be more sessions we can invite you to be a part of – as part of our co-production – in the future.

We'd be delighted if you could join us!
