Dear Parents/Carers,

As you are aware we are undergoing an expansion to the school building. In order to keep our community safe whilst building work is ongoing we are asking students and parents to avoid travelling to and from the school via the junction of Browning Road and Rectory Road between the hours of 9am and 2pm. This is due to the number of large delivering trucks likely to be manoeuvring in this area between these times. Therefore, we suggest walking/driving around the building using Church Road and St Winefride's Avenue. We apologise for the inconvenience, however we feel that this is the safest way for the community to travel to and from the school between these hours.

Thank you for your understanding,

Ian Wilson and Rav Bansal
