Subject: English HPA Walking Talking Mocks Programme (by invitation only)

Dear Parents/Carers,

After the success of the first HPA session, we would like to invite you to the second **English Walking Talking Mock session** for HPA students. The students' feedback was very positive for the first session.

The session will begin at 11:00 AM on 15th March and will end at 1:30 PM. This session is designed to support Year 11 HPA/top set students in refining their exam techniques for GCSE English.

On **15th March**, Jane Birham, an experienced educator and former Assistant Principal with over 20 years of teaching and examining experience, will lead the session on Section A of Language Paper 1 and 2. Her deep understanding of exam marking and assessment will help students approach these papers with confidence.

The objectives are:

- To show students how to apply effective exam techniques and highlight the importance of exam technique in accessing high marks.
- To identify any gaps in their knowledge and intervene in these areas.
- To support our students in achieving the best possible outcome.

We strongly encourage you to ensure your child attends this session, as it will play a key role in maximising their potential for success.

If you have any questions, please do not hesitate to contact us.
