If any part of a student's uniform is incorrect they will receive a behaviour point immediately.

Students are expected to be in the correct uniform from the moment they arrive at the entrance gate in the morning until they leave the premises after school.

Every member of staff that sees a student in incorrect uniform will give that student a behaviour point.

Uniform Expectations - Rationale and Summary

Uniform is mostly excellent in the morning.

During the day uniform standards drop.

We want students to do the right thing when nobody's watching.

We want students to be independent, have a sense of personal pride and learn good habits for themselves.

Uniform infractions will lead to immediate behaviour points.

Every teacher is expected to give a behaviour point when they see a uniform infraction.

Uniform will be checked thoroughly on the gate by SLT and in line ups by your tutors.

Expectations will be the same throughout the day, every day, all year, every year.
