

What will learning look like from 8th March?

Information for Students and Parents

When you come into school for your covid test, you must wear your uniform and ensure you have a mask.

- On the allocated day of your covid test, You will arrive at school at a specific time for your form group (this will be communicated to you shortly by your year team).
- You will then return home and complete the work set by your teachers for that day.
- Providing your test is confirmed negative, you will return to school the next day. You will resume lessons and timings as per September-December 2020 (details on the following slides).
- You must have a face covering on your face every day. Please remember that looking after everyone is our priority.

The order of year groups attending school for tests is:

1. Year 11 - Mon 8th March (timings tbc)
2. Year 10 - Tue 9th March (timings tbc)
3. Year 7 - Wed 10th March (timings tbc)
4. Year 9 - Thursday 11th March (timings tbc)
5. Year 8 - Friday 12th March (timings tbc)

N.B. Students will come into school one form at a time for testing, wait for their result and then leave. They will start their lessons at school the following day (e.g. Year 11 on Tue 10th March), regardless of whether their parents gave permission for testing or not.

Key Worker/Vulnerable Students

- You will come into school and work from school as usual, but you will be working from the sports block instead of the ICT rooms. Please arrive between 8:25-8:30 to avoid mixing bubbles.
- You will go to the main building to get tested on the same day as your year group.
- You will return to the PE block to continue working after your test.
- On the day that the rest of your year group returns to school, you will also return to school and go back into pre-lockdown lessons.
- This means that the number of students in this group will reduce day by day, meaning that by the end of the week, only year 8 KW/V students will be left.

Monday 8th March- (International Women's Day)

Year 7- Learning from home (online pre-recorded material, NO LIVE LESSONS)

Year 8- Learning from home (online pre-recorded material, NO LIVE LESSONS)
