Monday 8th January, 2024

Dear Parent/Carer,

RE: Year 11 Subject Parent's Evening

I am writing to invite you to the Year 11 Subject Parents Evening on:
Tuesday 16th January 2024 from 4.00pm to 6.30pm.

Your child will be given their most recent Year 11 Mock Grades as well as their current College Predicted Grades, which will be used for college applications. This will be a great opportunity for you to meet individually with your child's subject teachers to discuss their academic progress and what actions and support they will need to achieve their potential in their upcoming and fast approaching GCSE exams.

There are only 15 school weeks, and 18 weeks in total, until pupils sit their May GCSEs, so your support is greatly appreciated. Pupils will also be sitting their final set of mocks, which will contribute to their College Predicted Grades, in six weeks, from 26th February - 8th March.

The Year Team, along with Ms Begum, our Aspirations and Destinations Coordinator, will also be available if you or your child have any queries regarding college applications. Pupils need to complete a minimum of five college applications by Monday 5th February.

Your child will make appointments with teachers on your behalf and are expected to record the times in their diaries. All appointments should be made by Friday 12th January. Please check with your child that they have made appointments with all of their subject teachers. We cannot guarantee specific times but we will do our best to be accommodating.

The Year 11 team very much look forward to seeing you. Please make every effort to attend this very important event.

We would also like to take this opportunity to let you know that on Tuesday the 5th of March 2024 is Yr11 Exams Entries Evening. Please do your utmost to attend the evening as essential exam documentation will only be given to parents/carers. More information about the evening will be given closer to the date.

Yours sincerely,

“ ... an excellent ambassador for community cohesion within the locality - OFSTED ”
