Dear Year 11 students,

We hope that you and your families are well and have been able to enjoy the summer period. We are writing to you now to update you regarding how to collect your GCSE results and to let you know about next steps.

As you will have seen in the media this week, this year's results will now be based on the Centre Assessed Grades (CAGs) or the Calculated Grade (whichever is higher). The CAGs were based upon the data and results the school held on you including mock results; unit tests and any coursework. At Little Ilford, teachers went through an extensive period of moderation to ensure that the grades awarded were fair, accurate and honest. It was rigorously moderated by departments and SLT in accordance with guidelines laid out by Ofqual. As such, there is no appeals process this year but you can find further help and advice here: <https://www.gov.uk/appeal-qualification-result>.

GCSE results day is still going ahead on the original release date of:

- **Thursday 20th August**

However, this will look different from previous years due to the current climate, as we must consider the current social distancing guidelines set by the Government, especially when hosting such an important day.

Students should arrive at the allocated times listed below via the main entrance on Rectory Road.

Please keep to the current social distancing rules, including wearing a mask and bringing your own pen. Only the student or nominated person will be allowed to enter the school.

If results are not collected at the allocated time, the results will be posted home - you will not be allowed to enter earlier or later. Please note that if posted, results will arrive on or after 21st August. If you wish somebody else to collect your results, please email the school at: info@littleilford.org to let us know.

A one-way system will also be implemented to ensure you are given the opportunity to talk to the relevant staff about any queries or questions you may have about your results.

“ ... an excellent ambassador for community cohesion within the locality - **OFSTED** ”

It has also been announced that an exam series in the Autumn term will go ahead in order to provide an opportunity to sit an exam, should you be disappointed with any grade achieved this summer. If you feel you could improve your grade by sitting these papers, you should ask for an entry form when you collect your grades. We will be posting further guidance on this after results day, so please continue to check the website for updates.

What we need from you:

- If you are unable to attend but a friend or relative is able to collect your results for you, we will require a signed, written permission slip from the student, detailing the name of the person who will be collecting the results. This person will need to bring a photo ID as well.

We wish you all the very best of luck and look forward to seeing you on the 20th August. Please take care and keep safe.

Yours sincerely,

J Pascal
