RE: Year 8 Parents' Evening - 18th March 2025

Dear Parent/Carer,

We are writing to inform you of the Year 8 Parents' Evening, which will take place on **Tuesday, 18th March 2025**, from **4:00 pm to 6:30 pm**.

This evening presents a valuable opportunity for you to meet with your child's subject teachers and the Year 8 team. It is an important occasion where you will receive an update on your child's academic progress, as well as an opportunity to discuss any additional information the Year 8 team may provide regarding your child's development, both academically and personally.

All parents are expected to attend this important evening, as it allows you to stay informed about your child's performance, identify areas for improvement, and ensure you are fully involved in their education. Parents' evenings are vital because they provide a direct line of communication between school and home, allowing us to work together in supporting your child's learning and well-being. These meetings help to address any concerns early, celebrate successes, and ensure that both parents and teachers are aligned in their approach to supporting your child's development and showcases a school home relationship.

Your child will be using their diary to make appointments with their subject teachers for the evening. Please ensure that these appointments are arranged in advance via the student.

Students MUST attend in their FULL SCHOOL UNIFORM.

We look forward to welcoming you and thank you for your continued support in helping your child achieve their full potential.

Yours sincerely,

Mr Uylett / Pastoral Achievement Leader Year 8
