3rd February 2026

RE: Year 9 Parents' Evening – 10th February 2026

Dear Parent/Carer,

We are writing to inform you of the Year 9 Parents' Evening, which will take place on **Tuesday, 10th February 2026**, from **4:00 pm to 6:30 pm**.

This evening presents a valuable opportunity for you to meet with your child's subject teachers and the Year 9 team. It is an important occasion where you will receive an update on your child's academic progress, as well as an opportunity to discuss any additional information the Year 9 team may provide regarding your child's development, both academically and personally.

All parents are strongly encouraged to attend this important evening, as it provides a valuable opportunity to stay informed about your child's progress, identify areas for improvement, and remain fully involved in their education. Parents' evenings are an essential part of the partnership between school and home, allowing for open communication and a shared approach to supporting students' learning and wellbeing. These discussions help address any concerns early, celebrate successes, and ensure that parents and staff are working together to support each student's future development. The evening also offers a timely opportunity to speak with **Mr Uylett and Ms Butcher** regarding your child's **GCSE option choices**, as students will begin these courses in **Year 10**.

Your child will be using their diary to make appointments with their subject teachers for the evening. Please ensure that these appointments are arranged in advance via the student.

Students MUST attend in their FULL SCHOOL UNIFORM.

We look forward to welcoming you and thank you for your continued support in helping your child achieve their full potential.

Yours sincerely,

Mr Uylett / Pastoral Achievement Leader Year 9
