

LITTLEPORT AND EAST CAMBS ACADEMY

An Active Learning Trust School

Dear Student and Parent/Carer,

This letter finds us exploring yet another first for LECA and your young people, as we outline the procedures for exam results day. The day is an exciting one and at the same time a nervous one, but we know from Ms Buzer, our exams officer, that our Year 11 really did get into the zone, over the exam series and so we look forward to lots of great results.

On the day, it is a time for our young people to celebrate with their friends, their parents and their teachers and we would really like to encourage students to attend and collect their results in person.

This letter looks forward to the summer results day and aims to give you some advice about how you will receive results and what services are available if things do not go according to plan this summer.

Results Day

Year 11 results day is on Thursday 25th August

We will be issuing result envelopes from 10am until 12 (noon) on the day in the school hall. We would encourage students to come into school, where staff will be on hand to celebrate with and support your child.

What if a grade seems lower than expected?

If the result your child achieves in the summer is less than they were expecting, you may wish to consider whether to make use of any of the post result services that the awarding bodies offer. The Academy will also support with this and Heads of Subject will be around to review marks and grades awarded.

Details about these services, the costs, and a form to request them are available on our website here:

Also the full guidance on Appeals for Students and Parents from the Joint Council for Qualifications (JCQ) can be found by following the link below.

On results day the Exams Officer, Careers Officer and members of the SLT will be on site to help you with these Post Results Enquiries. Please do not go home if you have not had the help you need – we are here to help and guide where possible.

And finally, if you are unable to attend in person to collect your results, please inform us using the email exams@lecacademy.org of an email we can use to send the results to you. Sadly we are unable to tell you the results over the phone.
