PROGRAMME

About the Social Housing Scholarships Programme

This programme offers a clear pathway into meaningful careers that support homes, communities and local services.

£6,000 per year to support living costs and study materials.

Paid summer internship with partner organisations.

One-to-one mentoring, workshops and networking opportunities.

Optional volunteering opportunities linked to your interests.

Applications open **Friday, 24 April 2026** and close **Sunday, 5 July 2026** at midnight.

Eligibility and how to apply

You can apply if you:

Are a social housing resident.

Are starting higher education in September 2026.

Show motivation, potential and commitment.

Are interested in careers linked to homes, communities and local services.

You do not need perfect grades. We are looking for drive, ambition and a willingness to learn.

How to apply:

Visit blackbullion.com/shscholarships.

Check the eligibility criteria.

Submit your application before the deadline.

Why apply?

The Social Housing Scholarships Programme offers more than funding - it helps you build your future with confidence.

Receive **£6,000** per year to support living costs and study essentials.

Access mentoring, workshops, and a supportive **professional network**.

Gain **real experience** through paid internships with housing sector partners.

Help shape stronger, more inclusive communities through **your career**.

To apply and for more information, visit **blackbullion.com/shscholarships** or email **scholarships@blackbullion.com**
