

LONGBENTON HIGH SCHOOL

21st February 2025

Dear Families,

It has been a fantastic half term. From our Matilda production to sports fixtures to Oxbridge offers to the everyday dedication of our students and staff... I'm proud of everything we've accomplished as a school community. Thank you for your continued support.

Attached to this letter are some important documents:

1. **Parent Code of Conduct** – It is our expectation that we have constructive working relationships with our families, treating individuals with dignity and respect. We will not tolerate disrespectful, abusive or aggressive behaviour - in person, in writing, or online - towards our staff. We have a duty to ensure staff feel safe in the workplace, hence the importance of this document. This document is also on our website [here](#).
2. **School Newsletter** – A recap of this term's highlights, including our school show, personal development opportunities and extracurricular activities. We also have an exciting new bi-weekly Sixth Form student-led project called **The Waffle** - a copy is attached and you can also read Issue 1 [here](#).
3. **Exam Timeline** – Information on the timeline towards the exams for Year 11 and Year 13 students. We have a 6 week and then a rather short 4 week half term coming up; written exams start Thursday 8th May which will come around fast. Please make a note of these key dates and discuss with your child if this applies to them. This document is also on our website [here](#).

We encourage you to review these documents carefully and reach out to us if you have any questions or require further clarification.

On behalf of the entire school team, I wish you and your families a restful and enjoyable break. We look forward to welcoming our students back for another exciting term on Monday 3rd March.

Warm regards,

Kelly Holbrook

Headteacher
