

TEACHER OF HISTORY - APPLICATION PACK - SEPT 22

JOB TITLE	Teacher of History
SALARY	MPS
CLOSING DATE	Monday 9th May
INTERVIEWS	Friday 13th May - TBC
START DATE	September 2022

April 2022

Thank you for taking an interest in joining LHS. This post gives you the exciting opportunity to join a strong team in a vibrant, happy, inclusive school and to make a real difference to the lives of our young people. I hope this letter provides some useful context and helps you to decide whether you would be a good 'fit'.

If successful, you will be joining our school at an exciting time of change. Having started my headship here in September 2020, we are currently completing a staffing restructure, including the complete reorganisation of the senior leadership team. We have two new Deputy Headteachers starting in June 2022 and a new Assistant Headteacher starting in September, alongside a reorganised pastoral leadership team. We have reorganised the History, Geography and RS departments into one cohesive Humanities team (although subjects are still taught distinctly at all key stages). Our vision is ambitious and unapologetic: we are creating change in order to be the school of first choice in the local area.

We have undertaken a great deal of work since September 2020 to re-boot routines and expectations and our school values have been re-branded. A new vertical house system, new tutor programme, enrichment curriculum and staff training on protected characteristics (sexual harassment; homophobia; racism) are all part of our recent work on character education. We have a fantastic CPD and induction offer for our staff.

LHS really is a great place to work. Our most recent staff and parent surveys highlight this: 97% would recommend the school to another parent; 93% of staff feel behaviour has improved; 100% of staff said they were proud to work at the school; 98% of staff felt that senior leaders and managers "are considerate of my well-being and do all they can to ensure the school has a motivated, respected and effective teaching staff". Recent SDP (school development partner) reports demonstrate that we are much improved: "the senior team have a clear vision for the development of quality first teaching and what makes 'learning brilliant' at Longbenton High School"; "the new leadership team share a clear vision for the school and are ambitious for their students and for their curriculum. They are committed to continuous improvement."

History is a popular subject and continues to grow at KS4 and KS5 - students know they get an excellent deal from our teachers who instil a passion for the subject in learners of all abilities. We would welcome applications from current trainees and existing ECTs.

Our students are brilliant and they deserve an excellent appointment. We really care about them and their futures and pride ourselves on excellent relationships. You can see them - and us - and get a better sense of what we are about in our promotional films on our website [here](#) and [here](#).

I hope that this is the right opportunity for you; good luck with your application.

Headteacher

Longbenton High School: Our story...

Longbenton High School (LHS) is a highly aspirational, truly comprehensive and smaller than average 11-18 secondary school of around 900 students, in the NW of North Tyneside, on the outskirts of Newcastle upon Tyne. The school building is bright and modern: a new build was completed in 2016. LHS is a local authority school and part of the North Tyneside Learning Trust. We were last inspected in November 2018 and judged to be RI. Since then a new Headteacher and Deputy Headteacher have been appointed (September 2020). Our vision is to be an excellent school for our local community; a school of first choice that students are proud and happy to come to every day.

We have 5 feeder schools but take from as many as 15-20 in the local area. Being close to the boundary with Newcastle we have higher numbers than usual at non-statutory transition points. Our intake broadly reflects most local key characteristics: majority white British (93%); broadly average in terms of prior attainment but with a high IDACI deprivation index (over-represented in categories 2-5; $\frac{2}{3}$ live in the lowest 50% of IMD); around 32-33% of students since 2018 have been FSM6 against 27-28% nationally. We have much higher proportions than national of EHCP / SEN K students.

We are on a journey to turn around the school: leadership vision and intent is clear and we are embedding long term change around culture, ambition and the quality of education. This is reflected in our improved outcomes under two years of centre assessed grade requirements since 2019. Our most recent Ofsted report from 2018 and IDS from 2019 are now considerably out of date and do not reflect the school you see today. We have made great strides in leaving this behind in the last year. We are a growing school: we met our PAN (180) in September 2021 and our retention from Year 11 into Year 12 increased by 10%. Centre Assessed Grades in 2021 showed the impact of recent change: overall P8 at -0.2 and 4+ and 5+ basics outcomes at 72% and 46% respectively (an increase of 10% and 6% on 2019).

Our curriculum is traditional but we recognise the value of the arts (music, drama, art) in our timetable. We are constantly developing the options process to ensure we have the best offer we can for our students: recent changes have been an enrichment option in Year 9 and oracy/reading lessons in Year 7 and 8.

We are proud to serve our local community and want to give every student the opportunity to EVOLVE, CREATE, DISCOVER, PERFORM, and ACHIEVE in their time with us. Our ethos is based around these 'KIDMAP' values: ● Kindness ● Integrity ● Determination ● Manners ● Ambition ● Positivity

Our aims for all staff at LHS are:

- A focus on clear priorities - without 'drowning' staff in new initiatives
- An evidence informed approach to CPD, including plenty of personal development opportunities
- Plenty of time to embed CPD and training in departments and teams
- An open-door culture where best practice is shared and celebrated and a focus on instructional coaching to get the best out of teachers
- To be mindful of teacher workload and ensure staff have a sensible work/life balance
- To encourage participation in all aspects of school life outside of the classroom
- To create a positive and supportive staff community
- To provide appropriate role-specific training and encourage skills development for progression

- To develop and nurture talent and our own excellent leaders, who in turn are able to nurture their own high performing teams
- To support in the development of excellent relationships with students, parents and carers and our wider community

TEACHING, CPD & SCHOOL CULTURE AT LHS

We do not have a prescriptive, 'tick-box' approach to teaching at LHS; teachers can be autonomous and we believe that the curriculum drives progress. We do not grade lessons and we do not subscribe to a formal '3 lesson observations per year' approach. This is because we want to focus on generating exciting and engaging professional dialogue every week about what makes great teaching and about how we can all tweak our practice to get that little bit better. Our teaching practice here is based on the latest thinking in pedagogy; for example Rosenshine's teaching principles and Tom Sherrington and Oliver Caviglioli's Teacher Walkthrus. We use this as the basis of our day to day teaching, but staff are free to adapt this to their own contexts and subjects. We have just updated our appraisal process for 2021-2 based on a professional growth model.

We have a rich programme of CPD opportunities: weekly CPD every Tuesday afternoon (students finish early at the end of Period 4), including dedicated time for subject planning and development in departments; regular twilight sessions

on core whole school focus areas (currently oracy); 'Open Door Fortnights' where staff can learn from and share best practice; access to high quality leadership development opportunities for aspiring middle and senior leaders; and comprehensive induction and support programme for ECTs.

We are a PIXL school and currently engaged in a DfE oracy project led by Voice21. We try to ensure that there are not too many conflicting priorities and that staff have time to develop and embed training within their own subject disciplines. Our focus for middle and senior leaders from January 2022 is the launch of an 18 month Transformative Teaching programme led by Ambition Institute to re-boot our curriculum and the roll-out of a new instructional coaching programme.

Leadership development

We provide a range of support and development for our leaders in a variety of ways: fortnightly line management meetings with an experienced member of the SLT, focusing on strategic leadership development as well as the day to day monitoring of the quality of education • Curriculum leader 'breakfast meetings' to shape the direction of the school in collaboration with SLT and take ownership of operational issues • Half termly CPD for middle leaders focusing on a range of topics • Supporting staff who may want to develop their own professional qualifications in collaboration with the Ambition Institute; for example the new NPQs • School-based opportunities to gain leadership experience, e.g. associate SLT roles and in house CPD for aspiring middle and senior leaders • We are investing in an 18 month Transforming Teaching programme with all of our curriculum leaders starting January 2022.

Be part of a supportive, collegiate team...

We are conscious that working in education today can be stressful and at LHS we are conscious to alleviate pressures on staff where we can: Staff Wellbeing Group who meet every term • Feedback and marking is based on streamlined 'DIRT' principles (new policy 2021) • Teachers are not expected to write lengthy reports for students; we have 3 main grade captures per year • We do not grade lesson observations • Teachers are not required to keep lengthy 'evidence files' for appraisal • Plenty of department CPD time creates space for joint curriculum planning • We work alongside organisations such as Just Like Us and Stonewall and have undertaken recent training as a whole school around the LGBTQ+ agenda, equality and diversity and sexual harassment • Our school has a thriving Equalities Team (staff and students)

We have 57 FTE teaching staff. Teaching staff turnover in summer 2021 was 20%, which is higher than normal - several staff retired and 3 staff progressed on to promoted posts.

We have tight, robust behaviour management systems and a visible and supportive senior leadership team who will 'have your back'.

Period 6 / Enrichment / House System

We have a wide range of clubs, enrichment activities, trips and visits - everything from Surf Club at Tynemouth Longsands to Warhammer. We changed the timings of the school day in September 2021 so that 2.45-3.45 became 'Period 6' for enrichment activities and clubs. We have also rolled out an enrichment curriculum in Year 9 where students have dedicated time to undertake courses such as coding, Sports Leaders or Duke of Edinburgh Award in order to expand their skills-set. Students in Year 12 have the opportunity to undertake the EPQ.

We launched a new vertical House System in October 2021: our 4 houses are Alnwick, Bamburgh, Dunstanburgh and Warkworth. Students attend a vertical house form on Fridays and a year group form Monday - Thursday. The PSE curriculum is delivered by form tutors during a dedicated lesson on Tuesday mornings.

Staff alignment to the vision and systems of our school is of critical importance; demonstrating your alignment with what we are about at interview will be key to the right appointment to this post.
