#### Spanish

During a two week period you would ordinarily have:

3 Spanish lessons

**Completing and 'submitting' work:** please complete in your exercise book or on paper. We don't need to see any work done on Linguascope or research notes but you can send us PPTs, Word documents and photos of posters etc via email.

#### Lesson 1 – Revision of numbers

1. Log onto Linguascope.com and practise both the numbers activities
2. Practise the numbers 1-50 on this game. <https://rockalingua.com/games/numbers>
3. Write out all numbers from 1 to 60 in Spanish – Check spelling and accents!

**You can send a photo of the numbers written out as an attachment via e mail**

#### Lesson 2 – Telling the time

#### Lesson 3 – Combine time and food!

1. Using everything you have learned, write 8 sentences telling me what you eat or drink at different times of the day. Include the words for Breakfast lunch and tea that we learned a few lessons ago. Add opinion phrases if you can.  
E.g. *Como cereales a las ocho y media para el desayuno pero prefiero Nutella. I eat cereal at 8.30 for breakfast but I prefer Nutella.*  
Remember our key verbs *Como = I eat* *Bebo = I drink*
