

YEAR 7

Independent learning to be completed during school closure please submit this work in whichever way is easiest for you e.g. email a Word or PowerPoint document or photo of your work; write your answer up in the body of an email; file your work to be handed in at a later date

PSHE: During a two week period you would ordinarily have: 2 lessons

Week Beginning: 8 June 2020

The title for today's lesson is **Volunteering**. As usual, answer the activities below in any way you like.

1. What is volunteering? Write a brief definition.
2. Why might it be good to be a volunteer? Explain at least two reasons.
3. What different ways have people in the UK or around the world volunteered during the Covid 19 outbreak? Explain at least two ways. Try to make one of the ways something which you thought was especially kind and / or interesting.
4. At what ages are you legally allowed to volunteer? What other laws are there around volunteering?

You will find lots of useful information by searching **volunteering/gov.uk** and **Newsround/what is volunteering?**

Week Beginning: 15 June 2020

The title for today's lesson is **My Local Environment**. (Next lesson you will be doing work on the global environment.) Make a presentation (in any way you like) which addresses these questions:

1. What does the word 'environment' mean?
2. What is the difference between your local environment and the global environment? Explain at least two different points.
3. What makes you proud of your local environment, or happy to live in it? Explain at least three things.
4. What are three bad / not so good things about your local environment? Explain at least three things.
5. Who looks after our local environment? Explain at least two people or organisations.
6. Make a poster, write a poem or do something else creative to tell someone from outside of the area about your local environment.

You will find lots of useful information by searching **local environment / gov.uk**, **North Tyneside Council + environment** and **Newcastle City Council + environment**.
