YEAR 8

## Independent learning to be completed during school closure

---

ICT

During a two week period you would ordinarily have:

2 ICT lessons

Lessons 1 and 2 – Tynker

Well done year 8, you are making excellent progress with your coding. This week there are two more courses to complete, both designed to build on your skills so far. Enjoy and have fun!

A reminder of how to get on to Tynker:

- Go to www.tynker.com then click on sign in top right of the screen then click on student
- Enter your username which is your school email address that looks like schoolcomputerusername@longbenton.org.uk e.g. e1smith@longbenton.org.uk
- Your password is password which can be changed once you are logged in; just click on your name top left and then click on settings
- On the next screen click the cross; you can then start your lesson!

If you require further information please email:
