

## YEAR 9

### Independent learning to be completed during school closure

#### FRENCH 3

During a two week period you would ordinarily have:

4 French lessons

**Completing and 'submitting' work:** please complete in your exercise book or on paper. We don't need to see any work done on Linguascope or research notes but you can send us PPTs, Word documents and photos of posters etc via email.

Lesson 1 – Je fais les courses – I do the shopping.

Write a shopping list in French for food and drinks for your family for a week.

You could also look at [www.e-leclerc.com](http://www.e-leclerc.com) to see what you could buy in a French supermarket.

Use the vocabulary you know and use [wordreference.com](http://wordreference.com) to find words you don't know.

**You can send a photo of your work as an attachment** via e mail

Lesson 2 – Create an opinion scale with pictures you have cut out from old magazines or printed from the internet. Write your opinions in French. Look at the example below for some ideas.

**You can send a photo as an attachment via e mail**

1. **CHALLENGE:** record yourself saying your opinions out loud in French and send it via e mail!!! I'm looking forward to hearing you all practising your French!!

#### Lessons 3 and 4 – French menu

Lesson 3 – Research French food/dishes

Lesson 4 – Design a menu for a birthday dinner in French. Include a starter, a main course, a dessert and a range of drinks.

**You can do this in your exercise book or send in an email with a photo of your menu – take care with accents!**
