

YEAR 9

Independent learning to be completed during school closure

Maths

During a two week period you would ordinarily have:

6 Maths lessons

Where to find work

You have completed all the MyMaths tasks for year 9 so work will now be set at www.Corbettmaths.com/contents.

For each task below you should **watch the video** and then **complete the practise questions**. You can either print off the sheet to complete or just write the answers on paper. Try to keep all your paper work organised as if you were working in an exercise book.

Tasks

Go to www.corbettmaths.com/contents.... complete the following:

- Equations: Solving
- Equations: Involving Fractions
- Equations: Forming
- Inequalities
- Inequalities on a number line
- Graphs: (bar charts- reading)

If you require further information, please email:
