

YEAR 9

Independent learning to be completed during school closure please submit this work in whichever way is easiest for you e.g. email a Word or PowerPoint document or photo of your work; write your answer up in the body of an email; file your work to be handed in at a later date

PSHE: During a two week period you would ordinarily have: 1 lesson.

Fortnight Beginning: 22 June 2020

We are currently working on careers / the world of work. Last lesson, you studied CVs and personal statements. These things might seem like a long way off but we return to them every year in PSHE from quite early on to help you become used to things like applying for jobs. There is a lot of excellent information at **BBC Bitesize/Careers** which will help you with all of this work.

The topic and title of today's lesson is **Job Interviews**.

Use the links below, including watching the video clips within them, to make an information leaflet for young people to summarise how to have success at their first job interviews. Include a list of 'dos and don'ts'.
