

YEAR 9

Independent learning to be completed during school closure

Spanish

During a two week period you would ordinarily have:

3 Spanish lessons

Completing and 'submitting' work: please complete in your exercise book or on paper. We don't need to see any work done on Linguascope or research notes but you can send us PPTs, Word documents and photos of posters etc via email.

Lesson 1 – Revising key vocab

Using linguascope.com, revise the 3 areas below. Make a mind map of the key words and phrases you learn/revise.

1. Descripción de la cara
2. Descripción física
3. El carácter
4. Los miembros de la familia

No need to send this work in – it will help prepare you for lesson 2 and 3

Lesson 2 – Revising the key verbs Soy, Tengo, hay

1. Access the lesson below on Oak Academy
<https://www.thenational.academy/year-9/spanish/consolidating-key-present-tense-verbs-year-9-wk1-1>
2. Complete the quiz (activity 1)
3. Watch the video and work through the activities – be adding any new words or phrases to your mind map.
4. Complete the quiz (activity 4)

Lesson 3 – Writing your own paragraph

1. Go back to the video in the previous lesson and go to 18mins 21 secs.
2. Re-read Lola's paragraph and check you understand all the words and phrases.
3. Using Lola's as a model write your own paragraph about yourself. Be as detailed as she is. Include your physical description, your personality, your age, who is in your family and any extra details you like!
Try to include as many "OMG" phrases as you can. – e.g. **sin embargo**, **pienso que**, **lo bueno es que**, **dicen que**
4. **CHALLENGE:** record yourself reading your paragraph out loud in Spanish and send it via e mail!!!! I'm looking forward to hearing you all practising your Spanish!!

Make sure you send your paragraph either written or recorded as an attachment via e mail

If you require further information please email:
