

## Moving forward and creating opportunities, **welcome to our new brand**

---

Our new building will be open in September 2016, and in preparation for this exciting time we have decided to rebrand Longbenton Community College.

Everyone at our school has the chance of a great future, and we want the brand to reflect this positive message.

# **LONGBENTON** HIGH SCHOOL

The brand has been created to reflect the positive values of the school; diversity, inclusion and equality.  
Longbenton is a school for everyone and our aim is to inspire each individual to achieve their potential.
