Dear Parent / Carer

Year 10 Mock Examinations

Please find a copy of the Year 10 Mock Examination Timetable on the back of this letter.

Mock exams will take place in school for the majority of GCSE subjects beginning Tuesday 18th April 2023.

These mock exams are an important part of Year 10 and we have stressed to students how significant they are in terms of their learning. They are an opportunity for the students to consolidate their knowledge and understanding in the different subject areas and to develop and practise their examination skills.

One of the main benefits to the students' learning is the information they receive in the form of feedback from these exams. This highlights to them their areas of strength, but most importantly shows them which areas they need to have greater focus on to enable them to achieve their full potential and ensure success. It also helps the class teacher to target specific areas for development with the students. We would therefore appreciate your support in encouraging your son / daughter to prepare thoroughly at home. We would recommend that students complete a revision timetable in the forthcoming weeks to help them organise their studies.

The results from these mock examinations will be shared with students and parents / carers at the end of the academic year. If you have any queries regarding specific subject areas, please contact your child's class teacher in the first instance.

Thank you for your continuing support with your child's education and please do not hesitate to contact me in school if you require any further information.

Yours faithfully

Mrs S Ayre
