

Dear Parent/Carer

Year 9 Exam Week

Please find below a copy of the Year 9 Internal Examination Timetable. These exams will take place in school during the week commencing 7th December 2020. A further copy is available on our website.

These core exams are an important opportunity for learners to consolidate their knowledge and understanding in the different subject areas and to develop and practise their examination skills. It is also a valuable opportunity to develop effective independent revisions skills across a range of subjects, which will prepare them for the Year 11 final examinations.

One of the main benefits to the learners' learning is the information they receive in the form of feedback from these exams. This highlights to them their areas of strength, but most importantly shows them which areas they need to focus future revision on to enable them to achieve their full potential and ensure success. It also helps the class teacher to target specific areas for development with the learners. We would therefore appreciate your support in encouraging your son / daughter to prepare thoroughly at home. Learners will be working with their form tutor over the next few weeks to support them in developing effective revision skills.

Please note not all subjects will be examined during this week as they are being formally assessed during different weeks within lessons. Learners will be given information about these by their class teachers.

Thank you for your continuing support with your child's education and please do not hesitate to contact me in school if you require any further information.

Yours faithfully

Miss S Ayre
Deputy Headteacher

	Period 1	Period 2	Break	Period 3	Lunch	Period 4	Period 5
Monday 7th December	Maths Paper 1 – Non Calculator (1hr)					English (1 hour) All learners
