

English: Reading

Text: Goodnight Stories for Rebel Girls

We will:

Identify how language, structure and presentation contribute to meaning.

Distinguish between fact and opinion, draw inferences and justify with evidence.

Evaluate author's language choice, including figurative language.

Science

Study: Properties of Materials

We will describe the different properties materials have and compare everyday materials on the basis of their properties. We will develop our knowledge of solids, liquids and gases, particularly focusing on how to separate mixtures through filtering, sieving and evaporating.

Art & Design

Typography and Maps

Exploring how we can create typography through drawing and design, and use our skills to create personal and highly visual maps.

Longmoor
Community Primary School

Year 5
Learning Block 1

English: Writing

Text: Queen of the Falls by Chris Van Allsburg

We will be producing a series of diary entries based around the 'Queen of the Falls.' We will unpick the book and pupils will be given the opportunity to develop their spoken language skills and plan their writing by discussing the structure, vocabulary and grammar of similar writing.

Geography

Study: Why is California so thirsty?

We will explore the importance of water in day to day life. Then we will focus on farming in California and the struggles that farmers face, before exploring what the future holds for farming in California.

PSHE & RSE

Study: Being Me in My World

We will learn about how to examine the connection between the mind and body by recognising and describing a wide range of emotions and feelings.

Computing

Computing systems and networks:

Search engines

We will learn how search engines work and how to use them effectively to find information online. We will explore how to choose appropriate search terms and consider how to identify reliable and useful information.

Mathematics

Domains: Place Value, Addition and Subtraction

We will recognise, order and compare numbers and be able to determine the value of each digit. This will enable us to recognise place value and relate these to decimal equivalents.

We will use written methods to calculate both addition and subtraction of 5 digit numbers. Then we will use this knowledge to solve multi-step problems in context and decide which operation to use and why.

History

Study: The Round City - Baghdad

We will investigate the city of Baghdad and how the city was founded. We will explore what life was like in the city and the changes that occurred overtime.

Religion

Why do people have to stand up for what they believe in?

Thinking about religious freedom and people who have fought for their beliefs.

Music

Composition notation
(Theme: Ancient Egypt)

Design Tech.

Electrical Systems - Wobble Bots.
