Vocabulary

Aerial view

What a building or place looks like from above. A photo or drawing from above.

Floor plan

The layout of rooms on one floor of a building

Grounds

The land around a building

Human geography

Features of an environment built by humans

Physical geography

Things in our environment that are not made but grow by themselves

Map

A drawing that can show use where places are or how to get to a place

Plan

An outline of an area from above that is like a drawing.

Route

The way taken from one place to another.

Knowledge

We often visit our class room, the hall, the toilet and the playground.

We all live in different places and travel to school in different ways; walk, on a scooter or by car. On our way to Longwood we see houses, shops, trees and much more

An aerial view of the school shows the buildings, the playground and field.
