

## Year 5: Things to look forward to in the Autumn Term!

### Welcome to Year 5

This year will be full of new experiences, new subjects and new adventures in Year 5. I look forward to seeing you all learn and grow

throughout this year!

Miss Peachey

### Mathematics:

In Maths, we will be focusing on place value- looking at numbers up to 1,000,000 and recognising each of these in a place value chart. We will then use this knowledge to look at adding and subtracting numbers, using written methods to support our learning. As the term progresses, we will look at multiplication and division and then with this knowledge begin to look at fractions.

### English:

This term in English, we are exploring the traditional tale of Hansel and Gretel. Children are developing their descriptive writing skills by creating a detailed setting description. They will also retell the story in their own words, focusing on structure, vocabulary and creativity.

### Computing:

This term in computing we are looking at video production, the children will look at filming, angles and editing to create their own podcast/ video.

### History / Geography:

In History, we will be investigating the world of The Tudors, we will be deep diving into Henry VIII and the influence he had on England today.

In Geography we focusing on Europe, we will be investigating all about the countries, populations and structures that are in Europe!

### Science:

Our science focus is 'Forces' where we will be looking at scientist that have had an influencing on the discovery of forces and what they look like in day to day life.

Then, we will be moving on to Earth and space where the children will have the opportunity to discover the planets and our solar system.

### Art:

In Art, we are looking at Architecture, the children will use sketching and printing skills to draw and create observational drawings.

### DT:

In DT, we are using our sewing and applique skills to create a stuffed toy, using our prior knowledge to design and create our very own teddy.

### Music:

Melody and harmony-  
We will be looking the question- 'How does music bring us together?'

### PE:

This term in PE, we'll be taking part in fun and active sessions including football and fitness.

PE Days for this term:  
Tuesday and Thursday

### RWV:

In RWV this term, our enquiry question is: *Why should we be good?*

### RSHE:

This term in RSHE we will be 'Meeting our brain' following the My Happy Minds scheme, children will discover and learn why their brains works the way it does. Then, we will cover topics on how to keep a healthy body.
